

PKF in Africa

THINK AFRICA
THINK PKF

A photograph of a man with dark, curly hair, wearing a white shirt with green and blue stripes. He is looking off to the side, towards a tree with many yellow fruits, possibly lemons or oranges, which are out of focus in the background. The text 'ABOUT US' is overlaid in white on the left side of the image.

ABOUT US

PKF's network is made up of experienced and trusted advisors from independent member firms across the world.

We guide our clients through complex processes in a straightforward way which is compliant and uncomplicated. Allowing you more time to focus on what's really important – running your business.

We are at the forefront of compliance regulations and specialise in providing high quality audit, accounting, tax and business advisory solutions to both national and international organisations.

So, rest assured wherever you are in the world and whatever your accounting and business advisory requirements, the PKF network collaborate to deliver solutions in a timely and professional manner.

What makes PKF unique?

The people within our network set us apart from our competitors and makes us unique. Together, we are a global family who fully embrace and live our values.

We regularly come together through a variety of networking events which provide opportunities for our members to collaborate, learn and grow.

We plan for the future. We do this through working together, sharing innovative tools, updates and best practice. This enables us to have a consistent and client focused approach in everything we do. We provide our clients with a high quality service from beginning to end and have the confidence and capability to refer work to colleagues across the PKF network.

AN INTERNATIONAL NETWORK WITH AN AFRICAN FLAVOUR

Set on the most extraordinarily beautiful canvas, the African continent presents increasingly attractive business opportunities, due to its abundance of natural wealth, its bustling metropolises, its increasingly educated middle class population and its ever-improving political landscape.

With a diverse presence throughout Africa, PKF member firms offer local expertise and a unique understanding of local markets, backed by the resources of an African and international network.

How we work

The PKF member firms in Africa offer quality, innovative business solutions to meet the evolving needs of dynamic organisations on a challenging continent. Service is personal, team members are hands on, and we listen to our clients to understand their needs.

Our unique ability of finding mutual understanding derives from our experience of working in an international environment. Building relationships based on trust is of utmost importance for us. Client satisfaction is

our measure of success. We are passionate about finding smart solutions and adapting them to needs of companies and individuals we are working with.

Our multilingual Africa team can seamlessly connect you with any of our member firms across the continent and within the global network to give you the best advice and support – wherever you are in the world.

OUR SERVICES

PKF member firms in Africa specialise in solutions relevant for Africa, providing a wide range of services to a variety of clients. These include:

- public sector reform
- donor agencies
- business formation
- complete start up and back office solutions
- project audit

Each firm is lead by a partner who will deal with you directly and will be your regular point of contact. Each firm in the group has been operating for many years in their respective local market.

As a client of a PKF member firm, you are assured of:

- a partner-led service
- in-depth knowledge of the local business landscape based on long-lasting experience in the market
- personal cross-borders connections across the region and the globe
- a team that works hard at understanding your specific business and its needs
- rapid access to technical guidance through support clusters throughout the region
- seamless continuity of service for your international business
